## REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

Most of us who live in New Hampshire and the thousands of vacationists that visit us every year love the State for the variegated woodlands that encircle our clean lakes and clothe the hills and mountains. Most of us appreciate these values, but still there were enough careless people among us to cause over 880 grass and woodland fires to start in 1965. True this was a much dryer than normal year but this should have meant the use of extra care. Fortunately the fire fighting forces have held the line against such careless acts. It is up to each one of us to be ever mindful that a spark or flame is a potential fire.

### WE MUST ALL BE CAREFUL:

1. To teach our children the danger in lighting matches.
2. To never discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump.  
If you must burn rubbish or brush:
  - A. Always get a permit to burn from the warden.
  - B. Start your fire late in the day after 5:00 P.M.
  - C. If burning a field or brush have equipment and adequate help on hand. The heat from your fire creates its own draft to spread fire.

Our carelessness with fire is costing our State and Towns thousands of wasted dollars in suppression and hundreds of acres of destroyed woodlands. Yours never to enjoy.

## REPORT OF DUBLIN POLICE DEPARTMENT

This department had another extremely busy year in 1965. On accidents alone there was a total of 50 that we investigated or assisted with which is more than a 100% increase over 1964. Other calls also show increases which will show in the detailed report that follows.

After Mr. Fiske's resignation last year, Officer McQuillen and I tried to do the work ourselves, but there were times that this was impossible so early in the year, Mr. Cleo Pinney and Mr. James McCarthy were appointed Regular Officers along with Mr. McQuillen. Mr. Dennis Dunning is still a Special Officer, and Mr. Elliot Allison at the school crossing, again is doing his usual fine job. Thank you all.

In the spring, I attended a three day seminar sponsored by Northeastern University in Boston which was a very informative session.

The Plymouth Cruiser authorized at the Town Meeting was delivered on June 10, 1965 and the radio installed the same day. This is a fine automobile and the value of it will show more after a full year of use. The mileage at the end of Dec. 31, 1965 was 3,746 miles.

Two of the subjects wanted in the shooting of the buildings in 1964 have been apprehended and have been to court. Another subject is still at large.

Two subjects from Leominster, Mass., were apprehended and admitted to six breaks in Dublin. Some of the stolen property has been recovered and returned to the owners. Copper fire extinguishers, brass, etc., had been sold for junk. Both subjects are currently in State Prison.

This department is grateful for the letters of support and assistance given by both local citizens and non-residents. Thank you.

The following is a detailed report of the activities and complaints handled by this department in 1965.

## REPORT OF DUBLIN FIRE DEPARTMENT

Dublin fire department responded to 19 calls during 1965: 7 Mutual Aid calls, 3 car fires, 1 building fire, 1 accident, 1 chimney fire, 3 dump fires, and 3 brush fires.

This year a complete set of tires was put on the Ford, new booster brakes were installed on the Chevrolet, new racks were built in the fire station to spread hose out to dry, and 300 feet of new hose was purchased.

The dam at Childs' Pond was partly rebuilt and extensive work was done on the fire hole at the foot of Church Street, including building of a new sluiceway.

The annual fund raising dance was held August 21. It was a great success, and all members of the Dublin Fire Company wish to thank those who responded so generously. As a result they can again support their special projects.

Dublin also had an active muster team this year. They were in competition with many neighboring towns, and made a very good showing.

At this time I would like to express my appreciation to the firemen who show up so faithfully every Sunday morning to test radios with Keene, and to thank all members of the department and the Board of Selectmen for their continued support.

Respectfully submitted,

Thomas G. Hyman

Fire Chief

## REPORT OF HIGHWAY AGENT

### SUMMER HIGHWAY MAINTENANCE

Dirt roads were scraped and maintained several times during the summer and early fall. Ditches and turnouts were cleaned. Chloride was applied to combat dust but because of severe dryness this was not too effective. Moisture is needed for chloride to do much good. Roads were gravelled where needed.

Tarred roads were tar patched where necessary and the following were tarred: Lake Rd., west and south side of lake, Frothingham Rd., Upper Jaffrey Rd., Goldmine Rd. bridge, Windmill Hill Rd., from corner of Parson's Rd.

Cutting brush and trees was done extensively on Windmill Hill Rd., and brush and wood were carted to the dump. Wood was cut later for firewood for Town Barn. Brush was cut on Snow Hill, Upper Jaffrey Rd., Gerry Rd., Page Rd., Goldmine Rd., East Harrisville Rd., Old Troy Rd., Old Marborough Rd. All brush was carted to the dump and burned.

## REPORT OF HIGHWAY AGENT

### BRIDGE SPECIAL ACCOUNT

On Bond's Corner Rd., a narrow cement bridge in front of the Babneau's was removed, and a corrugated steel "arch" was installed. Gravel was filled and graded over the arch and road surface was tarred. Guard posts were installed and painted. Appropriation for this job was \$2,000.00. Total amount spent was \$1,999.88. This has eliminated a bad situation, as the old bridge was dangerously narrow.

### NEW CONSTRUCTION, CULVERTS & MISCELLANEOUS

Corners were widened at Upper Jaffrey Rd., and Snow Hill, and on Old County Rd., below the Hale residence, and the road gravelled. Road near the Richardson house on the Hancock Rd., was scraped and gravelled.

Culvert was installed on the road near the north gate, and the road was gravelled, brush cut and carted to the dump.

Culvert was installed at Stone Pond Rd., to drain water from the ledges. This is a metal culvert, 28 ft. long, and should take care of the needs there. This road was scraped and gravelled, and tar patch was applied over the ledges.

Culvert was installed on Church St., and other culverts dug out and cleaned. Road was gravelled and tarred.

Fire Hole at foot of Church St. hill was dug out and sluiceway was made of blocks in cooperation with Mr. Hyman, fire chief.

Bridges were repaired on East Harrisville Rd., where timbers were replaced and painted; at Golf Course where header was installed around new culvert-type bridge, guard posts installed and painted; and at Camp Monadnock Rd., where bridge rails were repaired.

Sidewalk was removed on Main St., and the site was gravelled in preparation for hot top contractor. Removed and cut up trees and stumps in front of Mason house which were in the way of the new sidewalk. Sidewalk above the Library was tarred to the top of the hill.

Safety and Parking Lines were painted in the Oval, in front of the Town Hall, Post Office and Store, and sidewalk lines painted from Post Office to Fire Station.

### TOWN DUMP

The Town Dump has been sand covered numerous times, rubbish and brush burned, rubbish pushed back and entrance cleared. A road was made around the entire dump area for fire protection and to make access to fire holes there. We have tried to maintain a clean dump and wish to thank those who have helped to make it so by proper dumping of their rubbish.

## REPORT OF HIGHWAY AGENT

### WINTER HIGHWAY MAINTENANCE

The Winter expenditures cover plowing of roads, cleaning out of corners after plowing, sanding and salting, removing ice, plowing sidewalks and general upkeep of roads during this period. It may be surprising to realize that it takes almost as long to clean up and widen the corners after plowing the roads as it does to plow the roads.

### SIGNS

Placing of road signs at road corners was completed during the year. It is too bad that so many have already been stolen. They will have to be replaced at extra expense to the Town.

### EQUIPMENT

Five thousand dollars was raised last year for repair of the Hough Payloader and the Galion Grader. The Hough motor was completely overhauled, as well as the torque converter; new hydraulic pump and valves installed. The Hough is in good shape. When the 19 year old Galion was checked the bearings were found to be gone, the motor beyond repair, and hydraulics in poor shape. A new motor would have cost \$2,900 alone, without the other necessary repairs, and the Town would still have had a 19 year old machine with spare parts hard to get. A new machine would have cost \$29,000. The Selectmen agreed to rent an eight year old, completely reconditioned machine for \$2,500 with possibility of buying it if so voted at the Town Meeting. This machine has done an excellent job this year. The FWD truck has done a good job, especially in plowing snow. New tires were bought for it this year. It is in good shape.

At this time we would like to thank the townspeople for their cooperation. To the Town Help my grateful thanks.

Respectfully submitted,

E. Bertell Pierce

Highway Agent

14 Yards Loam Stockpiled

Memorial Day Geraniums were again gathered and placed in memory, on the western slope and Monument.

Groundkeeping was performed by James B. McCarthy bound by an agreement with this Superintendent on a 30 week basis. This agreement worked satisfactorily in 1965 and I feel it is a better way to eliminate overdraft.

Jim did a fine job and did his part in keeping the expenditures to a minimum.

## AUDITOR'S REPORT

SMITH, BATCHELDER, SMITH, RUGG & DARLING

Certified Public Accountants

40 Mechanic Street, Keene, New Hampshire

January 21, 1966

Board of Selectmen

Dublin

New Hampshire

Gentlemen:

We have examined the balance sheet of the Town of Dublin, New Hampshire as of December 31, 1965 and the related statements of revenues and appropriations and expenditures for the year then ended. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstance.

### SCOPE OF THE EXAMINATION

Explanatory comments on the major balance sheet items follow:

Cash on hand in bank—treasurer—\$47,939.17. Cash in bank was reconciled with the treasurer's books and the balance per bank statement was confirmed by corresponding directly with the depository.

Taxes receivable—\$13,425.67. The uncollected taxes agreed with the collector's detailed listing. Approximately 98% of the outstanding property taxes were verified by corresponding directly with the taxpayers.

Capital reserve fund—\$7,951.60. The sum of \$5,000.00 was transferred from the general fund as voted by the town. Interest received amounted to \$128.33. This fund is in the custody of the Trustees of Trust Funds.

Due to school department—\$56,292.51. The balance due to the school department was computed as follows:

Owed to school department—December 31, 1965	\$39,215 57
Appropriated 1965	104,222 82
	<hr/>
	\$143,438 39
Paid to school district treasurer—1965	87,145 88
	<hr/>

Due to school department—December 31, 1965      \$56,292 51

The loan from the Indian Head National Bank in connection with the construction of the fire station and the purchase of equipment was reduced from \$51,070.00 to \$47,140.00 during the year.

This loan is payable at the rate of \$3,930.00 per year plus interest at 3% per annum.

Excess of Liabilities over Assets—\$42,104.71. This balance represents the net liabilities of the general fund as reflected by the books and as ascertained from other sources.

### REVENUES AND APPROPRIATIONS

The receipts as shown by the records were verified from the remitter insofar as practicable. The total receipts and disbursements as reflected in the Selectmen's books agreed with those recorded in the Treasurer's books. An inspection of vouchers and cancelled checks indicated that the disbursements were supported by invoices or other documents and were being properly recorded.

### TRUST FUNDS

The balance of cash on deposit in the checking account and in the various savings accounts was confirmed to us directly by the depositories. Securities on hand were inspected or accounted for by us. We verified the dividends and interest received during the year.

The income received during the year on common fund investments was distributed to the various funds included in the common fund on a proportionate basis. Disbursements were made to various beneficiaries of the trusts. The Town was paid \$537.96 as a reimbursement for wages paid on cemetery work for 1965.

### DUBLIN PUBLIC LIBRARY FUND

We inspected securities on hand and confirmed the balance in the various savings accounts by direct correspondence with the banks.

### INSURANCE COVERAGE AND SURETY BONDS

Policies inspected by us indicated coverage as follows:

#### Fire:

Storage building	\$4,500 00

Fred C. Brening, Trustee of Trust Funds term beginning March 12, 1963	8,000 00

In our opinion, the balance sheet of the Town of Dublin, New Hampshire and the related statements of revenues and appropriations and expenditures present fairly the financial position of the Town as of December 31, 1965 and the results of its operations for the year then ended.

Very truly yours,  
 Smith, Batchelder, Smith, Rugg and Darling

## REPORT OF DUBLIN PLANNING BOARD

Regular meetings of the Planning Board were held throughout the year. The Board also met with the Selectmen and the School Committee. A number of Town matters were discussed: the police cruiser, Mutual Aid, recreational facilities for the children and long range planning by the School Board, the resurfacing of the sidewalk, and the possible establishment of a Town Conservation Commission. Mr. Lawrance Rathbun was the guest speaker at one of the meetings to explain town conservation commissions, for which there is an Enabling Act in this state. He stressed the necessity for such a commission and urged that it be seriously considered.

Several members of the Board also attended a joint meeting of the Dublin and Peterborough Planning Boards. At this time engineers from the State Highway Department outlined the proposed re-location of Route 101 illustrated by a large map.

## LIBRARIAN'S REPORT

Attractive printed posters are placed in the Dublin General Store, the Emerald, Bond's Corner Store, and the Post Office. We like to think that the increased hours open, and calling attention to the hours open has resulted in our increased circulation from 5376—1964 to 7063—1965. 1774 fiction, 2940 non fiction, (including magazines) and 2349 juvenile books were borrowed by patrons.

570 books, many of these gifts, were added to our collection of well over 11,000. A breakdown shows that of these 296 were non fiction, 123 fiction, and 151 juvenile. 58 books were borrowed from the State Library and over 600 were left on five visits from the Bookmobile. Weeding is a continual process, to keep the best, and find room for the newer books. The library subscribes to 30 periodicals, these magazines circulate and are used for reference. Mr. Oscar Sewell gives many more magazines to add to our collection.

We are grateful to the following people for their gifts: Mrs. Henry Eliot, Mrs. G. Howe, Mrs. G. Kennelly, Mrs. C. Wenigmann, Mr. Hildreth Allison, Mrs. S. Putnam, Mrs. D. Clark, Mrs. F. Eaton, Mrs. A. E. Tuttle, Mrs. E. Curtis, Mrs. J. Mayo, Rev. Lyman Rutledge, Mrs. H. Prince, Mrs. R. Goodman, Mrs. R. Sagerdorff, and Mr. Sewell.

Mr. Andrew Elder exhibited a collection of small antiques and spoke on the subject to an appreciative group during Library

Week. The Brownies exhibited a cardboard village of Dublin and a book of their own composition and design.

Twenty films were viewed by 250 patrons some to preschoolers on Thursday mornings, and others the third Friday evening of each month.

The book sale was disappointing, only \$30.00 being realized. We thank Nancy Eaves and Deanna Pinney for volunteering their labor and time.

A group of summer children, called the Monadnock Players, presented a play, and give the proceeds of \$58.35 to us. We thank them.

Four 20" Prescolite lighting fixtures were suspended from the ceiling in the reading room, and three new 3-way switches placed in convenient locations. A circuit panel was installed in the basement and an outside meter. A new Smith-Corona typewriter was purchased.

Mrs. A. E. Tuttle represented a Dublin borrower on a panel discussion at the workshop meeting of the New Hampshire Library Association meeting held in Peterborough this fall. The subject was the modern novel, its precepts and pressures.

Exciting things have been happening since the trustees voted to affiliate with the State Library Development Program. Some of its benefits are: We are now using centralized book buying and at present receiving 38.1% discount. Our books are partially cataloged for us. We received a 30 volume 1964 edition of the Encyclopedia Americana to strengthen our references. I have attended four book meetings at the Keene District office during the year, viewing hundreds of books, and at each session hearing book reviews on the outstanding books. The SLDP offered a course in cataloging and classification for ten weeks in the fall. I volunteered my time to take this course as a refresher, and I learned many valuable ideas to assist me in starting a shelf list, and weeding problems.

Each library affiliated with the SLDP is allowed a voice in the District Advisory Council, of which there are four in the State. The trustees chose me as their delegate, and Mrs. Crossley as alternate. I have met many times with this group during the year. Their function is to make recommendations to the State Library Commission as to qualifications for libraries receiving State aid, exploring programs and expanding services.

Under the present reading room of the library is a huge excavated cellar, five windows facing south. It lends itself as an archives, a quiet student retreat. It has wonderful possibilities as a place to exhibit handicrafts and paintings by talented Dublinites. Discussion groups could meet here to share ideas. All these subjects are library related. The trustees and I feel that the time has come to consider seriously completing this area into a useable

room. Should it be done by public subscription, or taxes? Please  
be thinking about it.

Respectfully submitted,

Dorothy Worcester

## DUBLIN CIVIL DEFENSE

Dublin Civil Defense has had a satisfactory year, and we remain one of the very few Towns of our size which has a qualified Civil Defense program and is entitled to the benefits thereof. One of the principal benefits is the privilege of purchasing surplus property from Civil Defense and in this past year we have succeeded in purchasing several items for the Town Fire and Highway Departments which would have otherwise been overly expensive. For instance, we recently purchased for the Fire Department at a cost of \$50 a new centrifugal pump which has a value of \$450.

Surplus property can have its disadvantages, however. The electric generator which was purchased for the Fire House has failed to operate, primarily because parts cannot be purchased for the now out-of-date motor. In view of the recent electrical blackout, it is clearly necessary that Dublin should have electrical back-up for its siren. In fact it should also be considered that this generator be placed in the School building in order that it could supply power to both the furnace in the school and the siren. If there were another electrical failure in very cold weather, it would be highly desirable to have one building in town where we knew the furnace would continue to work. The Fire Alarm siren could be wired up to this system even if the generator were in the school, or perhaps another generator could be purchased.

As of this writing, most of the people in town will have received notice of the fact that a Civil Defense Medical Self Help program was started on February 4, 1966. I have worked hard to obtain the services of Miss Diane Wilder, Visiting Nurse, because I knew that she would make the course interesting.

I would like the Town to consider the possibility of paying the Civil Defense Director a yearly stipend. I want to make it clear that I personally would not accept the stipend because I am proposing it. However, there is a great deal of work to be done and I think more people would be willing to accept the job if there was some compensation.

Therefore, I would recommend a budget of \$400 for next year which would include \$100 for a Civil Defense Director and \$300 for general operating expenses. This year Civil Defense used only \$36.15 out of its appropriation of \$300, but we should have some money allocated so Civil Defense can operate if something special comes up.

Respectfully submitted,

C. R. Trowbridge, Director  
Dublin Civil Defense

## REPORT OF MONADNOCK REGION ASSOCIATION TO THE TOWN OF DUBLIN

The Monadnock Region Association maintains a building of its own at the junction of Routes #202 and #101 at the Peterborough By-Pass. This combination showroom and information center is staffed by a full-time receptionist-office secretary and an executive secretary who divides his time between the office and the field.

Aside from fixed charges and overhead, the bulk of the money received is used for promotional work, and includes such items as 30,000 Regionaires, 30,000 summer folders, 25,000 fall foliage folders, and tour maps, 25,000 winter ski and sports brochures and maple syrup bulletins. Four season vacations are emphasized. Apple blossom, Laurel, and Fall Foliage tours are publicized and posted in season.

The Association sponsors 4-H activities, high school bands, the N. H. Philharmonic Orchestra, agriculture, industry, and the hotel-tourist trade. In addition, as occasion arises the Association lends its weight for better roads, better and more picnic areas, better hunting and fishing with protection to land owners, better forestry practices and, in short, for all things that tend to make the Region more livable and attractive.

Our exhibition facilities are open and available to anyone in the Region. The local public, as well as the tourist public, are welcome at headquarters anytime.

## D. REPORT OF DISTRICT CLERK

Annual Meeting School District of Dublin

March 4, 1965

The meeting was opened at 7:30 P.M. and the Warrant was read.

Article 1: The salaries of the School Board and Officers of the District were fixed as follows: Chairman of the School Board, \$50.00; Each other member, \$25.00; Treasurer, \$75.00; Clerk, \$15.00; Auditors, \$10.00 each; Moderator to be paid at the rate of \$1.25 per hour.

Article 2: Moved and seconded that reports be accepted as printed and placed on file with the Clerk. Motion Passed.

Article 3: Mrs. Ethel Adams and Mrs. Harold Clukay were appointed as auditors for the ensuing year.

Article 4: The District voted to raise and appropriate the sum of \$102,242.51 for the support schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to apply against said appropriation such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

Article 5: It was voted to authorize the school board to make application for and accept on behalf of the district any or all grants forthcoming under Titles III, V or VIII, or any combination thereof, of the National Defense Education Act, Public Law

85-864 or any or all grants of other funds which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire under the provisions of the National Defense Education Act, or from any other public source.

Article 6: It was moved and seconded that the district raise and appropriate the sum of \$2,930.31, as a deficiency appropriation to be made available for current expenses prior to June 30, 1965. Motion passed.

Article 7: It was voted to authorize the School Board to create an area school district planning committee, as prescribed in R.S.A. 195-A:3 with the members appointed by the Moderator.

Article 8: It was moved and seconded that the School Board be authorized to make necessary renovations to the present building for an additional classroom, using \$1,026.20 of the excess sweepstakes money from 1964-65, and \$3,673.80 of the anticipated sweepstakes money from 1965-66, for a total cost of \$4,700.00.

Article 9: Motion was made and passed to authorize the School Board to acquire, at a price not to exceed \$1,000.00, additional land abutting the present site, or take any other action relating thereto.

## E. WARRANT

### 1.

To the Inhabitants of the School District in the town of Dublin qualified to vote in district affairs:

You are hereby notified to meet at the Dublin Consolidated School in said district on the 3rd day of March, 1966, at 7:30 o'clock in the afternoon to act upon the following subjects:

1. To determine and appoint the salaries of the School Board and fix the compensation of any other officers or agents of the district.

2. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

3. To choose Agents, Auditors, and Committees in relation to any subjects embraced in this warrant.

4. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents and for the payment of the statutory obligations of the District.

5. To see if the district will authorize the school board to make application for and to accept, on behalf of the district, any or all grants forthcoming under Titles III, V, or VIII, or any combination thereof, of the National Defense Education Act, Public Law 85-864 or any or all grants of other funds which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire under the provisions of the National Defense Education Act.

6. To see what sum of money the District will vote to raise and appropriate to meet the expenses of the area school district planning committee.

7. To see if the district will authorize the school board to place \$1,000.00 for land and \$817.38 not used for the construction of the additional room and received during 1965-66 into the general fund.

8. To see if the district will authorize the school board to include a contingency fund item in the regular school district budget, and raise and appropriate the sum of \$800.00 for this purpose.

9. To see if the school district will vote to establish a capital reserve fund for the purpose of remodeling for a library, food storage room, and eventual expansion of the cafeteria and to transfer to this fund all of its sweepstakes income for the year 1966-67, not to exceed \$3,200.00.

Given under our hands at said Dublin this 16th day of February, 1966.

Nellie Crossley

## PART II. INSTRUCTION

### A. INSTRUCTIONAL STAFF AS OF DECEMBER 31, 1965

Teacher	Position	Degree & Training	Exp.	Salary
White, Walter E.	Principal, Gr. 1-7 & Gr. 6 & 7	B. S. '62, U. of Maine	0	\$5,500 00
Petts, Carol	Grade 5	B.E. '63, K.S.C.	2	4,825 00
Clukay Alice D.	Grade 4	B.S. '35, B. U.	22½	6,550 00
Blomgren, Ruth M.	Grade 3	2 yrs., Keene N. School	16	5,200 00
Boucher, Ann H.	Grade 2	B.E. '64, Ply. S. C.	1	4,800 00
Finley, Marguerite	Grade 1	B.E. '53, K.T.C.	4	5,450 00

Changes in the teaching staff were as follows: Mr. Walter White replaced Mr. Lawrence Bramblett as principal. Carol R. Petts moved from Grade 2 to Grade 5. Ann H. Boucher was hired to teach Grade 2, in place of Carol Petts. Marguerite Finley was hired to teach Grade 1, replacing Nancy J. Ryan.

### B. SCHOOL PROGRAM

The Dublin Consolidated School year of 1965-66 opened with a total enrollment of 116 pupils, which is an increase of eight students over last year.

With an additional classroom and teacher, all grades, with the exception of 6 & 7, have single rooms. This has enabled the teachers to devote more time to their individual classes.

The importance of physical as well as mental development is being stressed. Teachers are conducting exercises in the classroom and gymnasium, and an inter-school sports program has been set up with other schools in the area.

The hot lunch and milk program is being conducted again this year, and Mrs. Ruth Brening deserves much credit for doing such a fine job in the cafeteria. Mr. Albert Rajaniemi, with his fine janitorial services and maintenance of the school, also deserves much credit. Mr. and Mrs. Elliott Allison have been very helpful with their interest and work in nature and traffic safety.

## PART III. SCHOOL PLANT

### A. REPAIRS

A new first grade room has been made out of the work shop on the downstairs level. New lights and doors were installed along with a new blower for heat. The floor was also tiled. The new room was freshly painted at the same time, and new window shades were added.

A new entrance to the boy's basement area was made, so as not to interfere with the new first grade room. The entrance is at the rear of the main hall and going into the boy's shower room. More lighting was added there, too.

New bookcases were built into the fourth grade room. Our old boiler had to be completely replaced with a new one. Some new piping and shut-offs were also installed. Two new drinking fountains were installed in the hallway. The third grade room was completely done over — ceiling, walls, and woodwork. The windows on two of the classrooms were painted on the outside. We also have a new, fully equipped science table.

### B. INSURANCE

Fire Insurance and extended coverage on Dublin Consolidated School and Contents (\$88,000.00).

Boiler Insurance, Property & Liability.

Workmen's Compensation & Employers' Liability

Public & Employees' Liability.

## PART VI. AUXILIARY ACTIVITIES AND SPECIAL REPORTS

### A. Health

This report is based on Mrs. Coombs' annual School Health Service Report for the school year September 1964 to June 1965.

In September 1965 I relieved Mrs. Coombs as school nurse for Dublin.

	Total	Defects	Corrections
Physical Examinations by			
Dr. Mason	54	3	3
Heights and Weights	106		
Vision Tests	90	15	10
Hearing Tests	103	6	
Teeth		13	9
Heart	4		
Enlarged Tonsils		1	1

A Dental Clinic Program was conducted with Dr. Lawrence as dentist. Three students participated, and we are most grateful to the Dublin Fire Department for making this program possible.

The Vitamin Program was still continued during the school year.

Intradermal Skin Tests for Tuberculosis were given to 36 students.

In May, pre-school eye tests were given fifteen children anticipated for first grade in September.

We thank Dr. Mason as our school physician for his generous help.

According to my knowledge this report is correct and complete.
